

Absolute Encoder Trade-In Program

Nidec-Avtron is offering a trade-in program; trade in your old absolute encoders for high quality, high durability Avtron models!

Trade In Your Old Encoders? Absolute-ly!

ABSOLUTE TRADE-IN PROGRAM

- | Sign up for the Avtron Absolute Encoder Trade-In Program
 - | List the units you want to trade in
 - | Order the new AV6A, AV6M, AV30, HS6A, HS6M, or HS40 Avtron absolute encoders
- | Return your trade-in encoders to Nidec-Avtron and receive a credit of 50% (first 5 units) and 25% (additional quantities)
 - | Trade-in program valid through all authorized Avtron encoder distributors

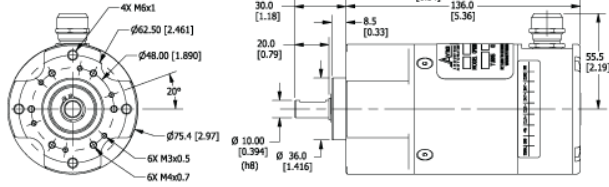

Absolute encoders are often light duty models that aren't very reliable. Nidec-Avtron has a new line of Avtron Absolute encoders that solves this problem. Now the extreme reliability and durability you expect from Avtron encoders is available for your absolute positioning applications.

You can try before you commit:

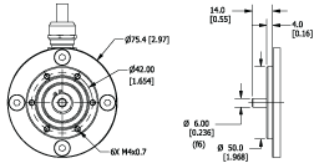

You may order one or two for evaluation, do the trade-in, and then commit to more.

Flange Option 5

MORE ABSOLUTE TRADE-IN PROGRAM ADVANTAGES

- Avtron absolute encoders fit the same flanges, connectors, and communication busses on your existing machines
- Larger bearings & heavier seals mean longer life
- Avtron magnetic absolute encoders have no gears, no glass disks
- Avtron absolute encoders are fully sealed—including connector seals and all pin locations are sealed

ABSOLUTE TRADE-IN PROGRAM SPECIFICATIONS
